EXHIBIT RULES AND CONDITIONS

1. The Numismatic Exhibit and Exhibit Program will be under the control and direction of the American Numismatic Association which reserves to itself the right to reject any exhibit at any time. Exhibits will be accepted only upon receipt of the hereto attached application form properly filled out and submitted to the General Chairman of the Convention at Cleveland, Ohio, either in person or by mail.

2. Exhibits will be divided into three (3) Groups as follows:

   A. Competitive Exhibits, limited to Members of the American Numismatic Association.

   B. Non-Competitive Exhibits, limited to Members of the American Numismatic Association and others who may be invited to exhibit by the Convention General Chairman.

   C. Competitive Exhibits, limited to Junior Members of the American Numismatic Association. (Junior Members may exhibit under Group A if they prefer.)

Each of the above groups will be kept in separate exhibit areas or rooms, and no exhibit entered under one group may be displayed with an exhibit in another group. No single exhibit may be entered in more than one group or group classification, but any exhibitor may enter more than one exhibit if separate applications are made for each exhibit. Each exhibitor must designate the group or group classification in which the exhibit will be entered. The exhibit committee chairman may transfer an exhibit from one group or classification to another if it appears to him before judging is commenced that the exhibit has not been entered in the proper group or classification.

3. Any material known to be a legitimate copy or replica must be so labeled. Any material known to be forged, spurious, or counterfeit cannot be displayed unless the exhibit is labeled and titled as an exhibit of forgeries and displayed under Group B for educational purposes.

4. No advertising in any form will be permitted with any exhibit.

No material exhibited may be offered for sale or removed from the exhibit for disposal during the exhibit period ending 5:00 PM, Saturday, August 22, 1964.

5. Applications for exhibit space must reach the Convention General Chairman, R. T. McNamara, Box 735, Cleveland 22, Ohio, not later than July 25, 1964. All applications received by that time will be given space and cases in the order received so long as they are available. Applications received after July 25, 1964 will be given space in the order received only if unassigned space remains and requested cases are available.

6. Exhibit cases will be loaned to exhibitors for use at this convention upon receipt of application in which case requirements are stated. No competitive exhibit will be allowed more than five (5) cases, and no competitive exhibit displayed in exhibitor's own cases shall occupy more than three thousand (3,000) square inches in overall area. If an exhibitor enters more than one exhibit and requires the loan of more than five (5) cases, the loan of any additional cases shall depend on the availability of such cases after the requirements of other qualified exhibitors have been satisfied. Non-competitive exhibitors will be subject to such space limitations as the exhibit chairman deems appropriate.

7. Exhibit rooms will be open for exhibit placement after 10:00 AM, Wednesday, August 19, 1964. All competitive exhibits must be in place before 5:00 PM, Thursday, August 20, 1964. Exhibits cannot be removed from exhibit cases before 5:00 PM, Saturday, August 22, 1964.

Exhibit rooms will be open to exhibitors and to the public from 10:00 AM until 10:00 PM on each day of the convention.

8. The name or identity of any competitive exhibitor shall not appear on the exhibit. The exhibit committee chairman shall keep a full and complete record of all exhibits, showing the name of each exhibitor and the number of the exhibit. Names of competitive exhibitors shall not be disclosed to anyone until the judges have completed judging of the exhibits and made their report to the awards committee chairman, who shall be given the names of those exhibitors to whom awards are due.

9. The numbered exhibit identification card showing the number of the exhibit and the group and group classification under which the exhibit is entered will be placed inside each exhibit case in the upper left hand corner or some alternate, but uniformly placed, position where it is plainly visible. Each exhibit case will be locked by the exhibit committee chairman, or his assistant, in the presence of the exhibitor and the keys will be kept by the exhibit committee chairman until the exhibit can be removed by the exhibitor.

10. The judges shall have the right to take any material from any exhibit case for the purpose of closer examination, but this may be done only in the presence of the exhibit committee chairman with the written consent of the exhibitor.
